

CalCool Privacy Policy

Last updated: September 6, 2026

CalCool is a calculator application designed to provide calculation, calculation history, PDF export, and related features.

1. Information

CalCool does not require you to create an account or provide personal information such as your name, address, phone number, or email address in order to use the calculator.

The App may store certain information locally on your device, such as:

- Calculation history
- Calculator settings and preferences
- Other information necessary to provide the App's features

This locally stored information is not intentionally transmitted to our servers by CalCool.

2. Calculation History

CalCool may save your calculation history on your device so that you can view or recall previous calculations. Calculation history is stored locally on your device and is not intentionally collected or uploaded by us. You can remove your calculation history through the App's available controls.

3. PDF Export

CalCool may allow you to export calculations or reports as PDF files. When you use the PDF export feature, the resulting file may be saved to a location on your device that you select. CalCool does not intentionally upload your exported PDF files to our servers.

4. Advertising

CalCool may display advertisements provided by third-party advertising services, including **Google AdMob**. Third-party advertising providers may collect and process certain information from your device, such as advertising identifiers, device information, approximate location information, and information about interactions with advertisements, in accordance with their own privacy policies.

5. In-App Purchases

CalCool may offer an optional **Remove Ads** purchase. Purchases are processed through Google Play. CalCool does not receive or store your full payment card, bank account, or other payment credentials.

6. Third-Party Services

CalCool may use third-party services necessary to provide certain functionality, including advertising and in-app purchases. These services may process information according to their own privacy policies. Relevant services may include Google Play Services, Google Play Billing, and Google AdMob.

7. Data Security

We take reasonable measures to protect information handled by the App. However, no method of electronic storage or transmission is completely secure.

8. Children's Privacy

CalCool is not specifically directed toward children under the age of 13. We do not knowingly collect personal information directly from children.

9. Data Retention

Information stored locally by CalCool remains on your device until it is deleted through the App or uninstalled. Third-party services may retain information per their policies.

10. Your Choices

You may delete calculation history, change settings, uninstall the App, purchase the Remove Ads feature, or manage advertising and privacy settings through your Android/Google account.

11. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. The "Last updated" date will be changed accordingly.

12. Contact Us

If you have questions, concerns, or requests regarding this Privacy Policy or CalCool, please [contact](#) us at:

13. Acceptance

By using CalCool, you acknowledge that you have read and understood this Privacy Policy.
